

Land Title Verification of Identity Form

How to present your application at Australia Post

- Ensure you have the appropriate identification documents for the highest possible category. Identification documents to be presented must contain matching personal information, be original and current (except for an expired Australian Passport which has not been cancelled and was current with the preceding two years).
 - If you have changed your name from that on an identification document, you will also need to provide a change of name document(s).
 - A translation will be required for passports, driver licences and birth certificates if not in English. The translation is to be completed by a NAATI accredited translator (go to www.naati.com.au for details).

You should produce two Category 1 documents, if these have been issued to you. If you cannot satisfy Category 1 requirements, you must produce documents from the next highest category possible[^].
